2020 in Review

.....

It was a chaotic year, but demandDrive was able to adapt and continue the growth we were having pre-COVID.

We now have remote employees in

22

different states.

As our client base has expanded, so has our experience.

This year we reached out to

24

different Industries and Departments for our clients.

More clients = more employee growth!

This year we saw

15 + 117%

Promotions

Employee growth

as we continue to provide top-notch sales development to our clients.
